line, one week30c

line, two weeks40c

This is the cheapest advertising ever red the people of Honolulu.

Now what do you

think of this?

The first is part of a good business policy.

The second is always at the front.

The third is one third of any ace.

The fourth is the last end of a fire.

The whole is what the BULLETIN makes your business do.

It is the farmer with the pretty daughter who has no trouble in keeping his hired men. " " " It is the merchant with the attractive Ad.

who has no trouble in keeping his trade.

See Page 8, NEW TO-DAY, for New Ads.

discrimination than the crude boy from in the bail room she had very little more on than when I saw her in the hall, and that little clung around her figure. Yet she looked quite uncon-

try and I sat with his sister where we ould see the dancing, on a landing of he stairway.

Miss Chantry was a blunt woman. Her consideration for me rested on my eing her brother's pupil. She spoke nore readily than he did. From our cove we looked over the railing at an er. active world.

Miss Chantry. Anne or Marie, and it wouldn't sur- hope I shall live to see them restored." prise me if they called their girls Cat st woman on the floor."

sister vigorously declared, "has neither, brothers take their place?" conscience nor gratitude. But none of Dr. Chantry turned from the prome the French has. They will take your naders below and, with slow and careaugh."

My master and I watched the brilliant figures swimming in the glow of France called the revolution, when wax candles. Where this assembly part of the people ran mad to kill the was collected from I did not know, but other part. They cut off the heads of it acted on the spirits and went like the king and queen and shut up the olatile essence to the brain,

I asked her why, if she detested them so, she lived in a French family. and she replied that Count de Chaumont was an exception, being almost English in his tastes. He had lived out of France since his father came over with Lafayette to help the rebel-Hous Americans.

I did not know who the rebellious Americans were, but inferred that they were people of whom Miss Chanof the French.

Croghan looked quite a boy among so many experienced gallants, but well through the figures neatly. He was, Miss Chantry said, a student of Wil-

liam and Mary college. "This company of gentry will be widely scattered when it disperses home," she told us. "There is at leats one man from over seas."

I thought of the Grignon and Tank families, who were probably on the oad to Albany. Miss Chantry bespoke her brother's attention.

"His highness," she incisively responded. "Prince Jerome Bonapatre." man who can stamp on them is the I remembered my father had said idol." that Bonaparte was a great soldier in a Chantry if the great soldier was in the

Dr. Chantry denied the charge and "But he wou cast a weak eyed look of surprise at dauphin lived?"

I said my father told me Bonaparte back indifferently.

Servants were hurrying up and down was a great soldier, and begged "Oh!" Miss Chantry responded in

> "Well! I will tell you facts. Napoleon ries war into every country of Europe. that superfine gallant in the long tailed white small clothes, with diamond

buckles in his shoes and grand lace spent last winter in Baltimore, and they say he is traveling in the north to forget a charming American He has got his name in the newspapers of the day, and so has the young "Which door is it?" I asked. She lady, The French consul warned her showed me. It had a spring esteh, and officially. For Jerome Bonaparte may

tions of your great soldier." The young man who might be made a little king was not as large as I was myself, and had a delicate and womanly cut of countenance. I said he was mough in my shoulder to set the door not fit for a king, and Miss Chantry Bonaparte fit for an Emperor.

"What is an emperor?" I inquired. "A chief over kings," Dr. Chantry "Bonaparte is a conqueror and the woods possessed. When I saw her can set kings over the countries he has

I said that was the proper thing to Miss Chantry glared at me. had weak hair like her brother, but her eyes were a piercing blue, and the an gles of her jaws were sharply marked. Meditating on things outside of my experience, I desired to know what th white silk man had done.

"Then why should the emperor give him a kingdom? "Because he is the emperor's broth

"But he ought to do something him "Mme. Eagle is a picture," remarked self," I insisted. "It is not enough to - Eagle! What a accept a chief's place. He cannot hold

"So the poor Bourbons found. they were not upstarts at any rate. 1 Here was another opportunity to in or Dog. Eagle or Crow, she is the form myself. I asked Miss Chantry who the Bourbons were
